Hi Steve,

We just wanted to say a HUGE THANKS for performing at our wedding on Saturday. You were absolutely brilliant, exceeded all expectations and all our friends loved you! Your mixing of songs was great, everyone commented on it and I'm sure a lot of the music you played (eg cheese) wasn't really your thing but you did it all really well and enthusiastically. You also really know how to keep the crowd happy!

I know that you also impressed all the staff at the Carlton Club and have now been booked for a staff party too, which we're really pleased about.

Matt and I really felt that getting a good DJ was important and your CV was impressive, but we didn't expect you to be such a nice guy, chatting to our guests etc and staying on a bit later for the extra song.

Thanks again from both of us for making our wedding so special and great fun.

Nasrine and Matt

xx

Hi Steve,

Some very lovely feedback from Nasrine – nice work!

“Hi Ursula,

Thanks for your email and congratulations. I wanted to say a huge thanks to you for suggesting Steve – he was absolutely brilliant and all of our wedding guests and the staff at the venue commented on how great he was. He knew exactly what to play and when, his equipment was great (people that know these things tell me!) and he was such a nice guy talking to our guests and taking requests. His mixing of songs was amazing too!

He really did make our wedding day v special.

Thanks again,

Nasrine and Matt”

Hi Steve

Thank you for playing at our wedding, the music was fantastic and our guests loved it too. We had had loads of comments on how good you were and dance floor was never empty!!

I am so sorry we had little more than a passing conversation last night but everyone seems to have had a really good time and I just wanted to send you a quick message to thank you for your help. After all the "we-are-not-music-people" worries I think the children were extremely happy with whatever you did and it certainly seemed to keep a lot of people on the dance floor for a lot of time. Thank you for just dealing with the whole music and lighting side so smoothly - arrival, setup, performance and departure all handled with no fuss. I am sorry if the children never came near you to thank you but it was a tribute to your professionalism that we left it all to you and it all worked so efficiently !

Hi Steve,

We are just back from our honeymoon and wanted to thank you for providing us with a stress free experience in our dealings with you from the day we contacted you until the day of our wedding!

Please do also thank Rory on our behalf- we had the best disco we could have wished for. Everyone complimented us on the great music played on the night and we had a fantastic time!

Kind regards,

Gaelle Cormier

Steve,

Very remiss of me not to have sent a note before, simply to say that our party was a resounding success and largely thanks to your input.

The whole set up, lighting, decks and pa system, was excellent and brilliant music played all night.

Thank you very much indeed.

Best wishes,  
Patrick

It was just amazing - Tony did such a spectacular job and judging by the state of my feet and body the music was fantastic as I danced all night long!

Thank you so much

Hope you're well.

I just wanted to get in touch to thank you for the DJ service you provided for Sarah and Andy at Taplin's Place on 18<sup>th</sup> June. You did a great job of keeping everyone on the dance floor and ensuring all the requests were played, and from my point of view it was great to have you onsite and ready to go in the evening so much earlier than agreed.

I will definitely be keeping your details on file for future brides, and hope to have the opportunity to work with you again soon.

Kind regards

Helen

Steve,

Thanks for everything at the weekend. It was great to meet you and we really appreciated all your help. The event was way above expectations and all the guests responded really well to having a proper nightclub set-up. As you promised Gareth was fantastic and a really nice guy to work with – please pass on our thanks to him.

Best Regards,  
Chris

Steve,

1. Please pass on a huge thank you to Rory for providing excellent musical support to Ames' and my wedding this last Saturday.
2. The music was just right and ensured that the 'activity' remained firmly on the dancefloor throughout the night, especially as the weather was so dire.
3. Is there any chance that Sat's playlist was recorded at all? It would be lovely for Ames and I to revisit it...?!

Thanks so much,

Howard
